WEEKLY REPUBLICAN—1937.
DAILY PUBLIC LEDGER—1899.

MAYSVILLE, KY., SATURDAY, SEPTEMBER 17, 1904.

JOHANNUS AND JOSEPHUS.
There was a farmer had two sons,
And those two sons were brothers—
Johannus was the name of one,
Josephus was the other's.

When they had grown to man's estate
They said, "We have a feeling
That we can make a fortune great
By plain and fancy stealing."

Johannus took the evil way,
And when he got a jag on,
He slipped into a barn one day
And stole a horse and wagon.

But when Josephus went to steal
In his bluff, honest, hail way,
He made a little Wall street deal
And neatly stole a railway.

Johannus met the horse thief's fate,
And now in Jail doth hanker;
Josephus, decked with honors great,
Is now a wealthy banker.

There was a dance at Limestone Fire Hall
last night. Music by Austin's Orchestra.

Mr. George H. Traxel has just placed a new
heater in the bathrooms of the Y. M. C. A.

Mr. Thomas Brannon, who has been ill with
fever at his home at Lewisburg, is improving.

Plans are being drawn for an up-to-date two-
story residence for Colonel William C. Watkins,
to be erected on the site of his present home in
East Third street.

Officer Rosser this morning located a pair of
bicycles, which were stolen yesterday at Port-
smouth and sold in this city. The thieves had
gone on to Cincinnati.

ception Cards. 100 Engraved Wedding In-
vitations only \$9. MURPHY, the Jeweler.

There has been less street cleaning this sum-
mer than for years; yet our thoroughfares have
been noticeable, owing to their cleanly condi-
tions. The shower-baths from above did the
work.

What will the Woggle Bug say when our
military returns to resume business at the old
stand—barrooms—and makes night hideous
with their drunken brawls and fights? Echo
answers, what?

Owing to the absence of Dr. J. C. Molloy,
there will be no services at the Central Pres-
byterian Church tomorrow, except Sunday-
school. Prayer meeting next week will be held
Thursday evening, conducted by the Pastor.

The way your uncle Gilbert Collins is making
a hole in the ground on the Government site is
a caution. When it comes to digging and re-
moving dirt he is right there with both feet.
Tom Guilfoyle is head boss with 14 assistants.

Captain C. M. Phister has had shipwrights at
work on the upper grade the past week building
a submarine boat which he will use in calking
the wharfoat. It is rather expensive but costs
less money than taking the boat to Cincinnati
and docking.

Mr. Gus McGrath will move his family here
from Lexington next week. Mr. McGrath is
the foreman of the workmen who will erect the
Government Building here. The LEDGER ex-
tends a cordial welcome and hopes he will find
our city a pleasant abiding place.

The Baldwin Detective Company, a corpora-
tion, now has charge of the fly men on the C.
and O. Railway. Reports are made to that
organization altogether. The Chief has sent
out a warning that special men should be a little
shy in giving information to newspapers.

If the job pans out as it has started off Gil-
bert Collins will be a millionaire! While ex-
cavating yesterday at the Government site he
picked up one of Uncle Sam's bright \$10 gold
pieces. Shortly afterwards a boy picked up
another and in consequence there is considerable
excitement over the new found Klondike.

A class in French, under the instruction
of Mrs. George T. Barbour, has been added to
the Department of Languages at Haywood.
The class is not only for the benefit of the
pupils, but for any others who may desire to
join it. Any further information regarding
terms, etc., may be obtained by calling at the
Seminary.

You fellows that have your poles ready to
knock the political persimmon at the coming
election for county offices had better hang out
your red flags, as an earnest of good faith.
In other words it is about time you were calling
around and putting your announcement in THE
LEDGER and letting the voters know you are in
the fight and mean to win.

Cherries and Strawberries....

This year's pack. They are canned by a new process. The color
and flavor of the fresh fruit is preserved. Open the can and eat them just
as they are. Makes a delicious dessert.
We have some genuine Rockyford Cantaloupes that are extra sweet.
Soft peaches. Damsons.

TELEPHONE No. 43. G. W. GEISEL, OPPOSITE OPERA-HOUSE.

How about that Truant Officer we were to
have? Has he too joined the silent majority?

Mr. L. T. Gaebke, recent purchaser of the
Collins & Rudy Lumber Company's mill site,
is completing a tramway for yanking coal from
the river to the yard.

Mrs. Millie Cobb, wife of Mr. George Cobb,
residing in the neighborhood near the Fair-
grounds, received a telephone message last night
that her brother had committed suicide in the
Leland Hotel in Lexington. Mrs. Cobb has sev-
eral brothers living near Lexington, but the
message failed to state the first name of the
man who took his life. It is thought, however,
that it is Lilburn Baker, aged about 24, and
unmarried. Mr. and Mrs. Cobb will probably
leave on the afternoon train for Lexington.

SOCIAL
EVENTS

The beautiful and hospitable country seat of
Mr. and Mrs. William McClellan near Northfork
was in splendor and royal purple last evening,
the occasion being the dining of a coterie of
genial gentlemen, consisting of bankers, law-
yers and leading merchants of this city.

The table was set in courses and the menu
was elaborate and choice.

Time passed rapidly and joyously with wit
and converse and at a seasonable hour the com-
pany departed.

Among the number present were J. Foster
Barbour, W. W. Ball, Judge G. S. Wall, David
Hechinger and Edward Parker.

WOMAN'S QUEER NOTION

Husband's Watch Must Be Melted
and the Metal Sold

The will of Mrs. Jessie A. Gatewood, widow
of Asa Gatewood of Mt. Sterling, which was
filed at Covington Friday, contains several
charitable bequests.

She left \$1,000 to the Protestant Children's
Home in Covington and \$500 to the Old Ladies'
Home.

She desires that her plate and the gold watch
of her husband be melted and sold and the pro-
ceeds given to some needy Southern Presbyterian
Church.

One-half of her estate is given to her niece,
Genevieve Isted.

The residue will be devoted for the education
of young Southern men for the Ministry.

LIVELY SCENE

A Runaway Horse Scatters Things
Along East Fourth Street

Last afternoon about 5:30 o'clock Mr. D.
F. Campbell, a merchant of Mt. Gilead, started
for home in his buggy, and when he had reached
a point East of Brown & Davis's blacksmith shop
on the Fleming pike, a wheel came off and
threw Mr. Campbell out.

The animal frightened and ran a consider-
able distance before being stopped.

In its flight the horse was struck on the hock
by the iron axle and severely cut.

The contents of the buggy, consisting of
merchandise, were scattered in every direction.

The buggy was damaged somewhat, but for-
tunately Mr. Campbell escaped with a few slight
scratches and bruises.

He can thank his lucky stars that he came
out of the mix up as well as he did.

Mrs. Thomas Winter and Mrs. Sam White
were driving down Fourth street at the time
and very narrowly escaped colliding with the
runaway.

How would it do for PARKER to commit his party to absolute self-government for the Filipinos thirty days after the same is granted to the Negroes of the South?

UNLESS the Democrats can enlist the hearty support of flood, fire and famine between now and November, their hopes of success are not worth 29 cents on the dollar.

THERE would probably be some real Democratic enthusiasm in the campaign if Mr. HILL would retire now, instead of on January 1st, and quit hoodooing the candidate.

ANOTHER one of the Acts of the late unlamented Legislature has "got in bad." At Covington Judge MACKOY has declared that the Act amending the registration law is unconstitutional. The amendment requires each registered voter to have a certificate of registration before he can exercise the privilege of voting.

The Constitution itself, Judge MACKOY pointed out, fixes the qualification for a voter and provides who shall not vote. "The Act under consideration," he said, "disqualifies a person from voting who loses his certificate, and if he would exercise the privilege of voting he must pay a stipulated fee of 50 cents in order to procure a duplicate certificate of registration, none of which is required under the Constitution."

An appeal was taken from Judge MACKOY's decision, and the case will go at once to the Court of Appeals.

A London laborer has collected many hundreds of Union Jacks of all shapes and sizes. Every table, bed and pillow in his home has its covering of bunting. The very shirt this man wears is a red-white-and-blue one.

Fine Farm For Sale.

The farm is located about 5 miles from Ripley on Ripley and Aberdeen pike. Terms made known on day of sale. For further particulars inquire at RIPLEY NATIONAL BANK. sept10-14-17-31 Ripley, Ohio.

SOME of the Southern Democrats still insist that the race question is a burning issue.

SINCERE Democrats congratulated themselves upon their defeat in 1896 and 1900. Congratulations will again be in order next November.

DAVID B. HILL says he is going to retire from politics January 1st, 1905. A neat way of advising the public that PARKER will have no opportunity of making any Cabinet appointments that year.

THE Democrats have about as much trouble in getting arguments to the front as the Russians in supplying their army 5,000 miles from its base of supplies and with but a single light rail track to connect them.

Political Pickings

THE BOOK TRUST.

Paducah Register.

The patrons of the schools are giving much thought at this time to the many changes that are annually made in the schoolbooks. The Book Trusts have the public in their grasp, and each year they tighten the hold upon the people and mercilessly wring every dollar possible from their pockets. The book dealer is no longer a dealer except in name, but is the distributing agent for the Book Trusts. The Trust not only fixes the price he must pay, but it also fixes the selling price; a pitiful commission is reaped by the dealer, while thousands of dollars of profits flow into the coffers of the Book Trust. Their traveling agents are abroad at all times and are especially active at election time, and they not only select a candidate, but pay his expenses. If he is elected the high-salaried lobbyists dominate him, and if an opposition candidate is elected they buy him if it be possible. In families with children in successive grades it is seldom the case that as the child is advanced to the next higher grade but what an entire change of books is required, and those used by the elder child are worthless. The Trust manages to have the laws so arranged that the lists are changed each year, and the parents are compelled to buy new books. This state of affairs will continue and also grow worse unless the voters pay more attention to public affairs and vote for none but honest men to represent them. During the late session of the Legislature much time was given to the bitter fight between rival book companies, and rumors of scandal and corruption were plentiful. It is high time that the people were calling for a new deal and electing an entirely new Legislature.

Right Trusses!

There should be no guess work about trusses. They have an important mission. They must do what they should or they are worse than none. Many are sacrificing comfort and safety by wearing ill-fitting trusses. Others who might be cured by a rightly fitting truss are using none. Those we carry are, we believe, the right ones. Can be fitted perfectly and exert a steady, even pressure. Wear well and can't easily get out of order.

YOUR KIDNEYS ARE THEY WELL?

Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned.

Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered kidneys. A simple test for Kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

Some Pronounced Incurable

Mr. G. A. Stillson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such."

Had Lumbago and Kidney Trouble

Edward Huss, a well known business man of Salisbury, Mo., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I began to take FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured."
